CLIENT ACCESS INSPECTION PORTAL

Our customers can utilize our CRM to access all historical testing, calibration and inspection documents & reports.

The screenshot displays the PNEUMATECH Client Access Inspection Portal. It features a top navigation bar with the company logo and a search bar. The main content area is divided into several sections:

- Report Header:** Includes the PNEUMATECH logo, a 'PNEUMATECH' badge, and a 'PSV TESTING REPORT' for Ticket # 202203-014. It lists the customer name (Morgan Valley Oil & Gas Operating Ltd), the location (Morgan Valley, West Virginia), and the inspection date (03/29/2022).
- Table:** A table with columns for 'Facility Name', 'Inspection Type', 'Inspection Date', and 'Completion Status'. It lists several inspection records.
- Map:** A map showing the location of the inspection site in Morgan Valley, West Virginia.
- Dashboard:** A dashboard with two circular progress indicators: 'Facilities Inspected' at 0% and 'Wells Inspected' at 19%.
- Table:** A table with columns for 'Name', 'County', 'Last Completed Inspection Date', 'Inspection Type', 'Ticket #', and 'Completion Status'. It lists several inspection records.
